Advocacy for Resilience and Innovative Solutions for Youths, Women, and Children Empowerment (**ARISE**) is a women-led humanitarian and development non-profit, non-governmental organization, formally registered with the Corporate Affairs Commission (CAC) on October 1st, 2024. ARISE is dedicated to transforming the prolonged impacts of insurgency, natural disasters, and economic adversity into opportunities for recovery, empowerment, and sustainable development.

ARISE is dedicated to contributing to efforts that address pressing needs within vulnerable communities. We work bot independently and in collaboration with partners to support initiatives in education, food security and livelihoods, protection, climate action, good governance, and nutrition. By focusing on these areas, we aim to empower marginalized populations, particularly youth, women, and children, and create pathways to resilience and sustainable development.

ARISE invites eligible, competent, and legally registered vendors to submit proposals for pre-qualification and registration into our 2026–2027 Supplier Database. We seek high-quality partnerships across the following primary categories:
