CALL FOR EXPRESSION OF INTEREST (EOI)

STRUCTURAL CONSTRUCTION OF THE YOUTH IN PUMP (YiP) IRRIGATION SERVICES HUB IN SONG LGA, ADAMAWA STATE.

Project Title:	Structural Construction of Youth in Pump (YiP) Irrigation Hub
Location:	Song Local Government Area (LGA), Adamawa State, Nigeria
Opening Date:	3rd September 2026
Closing Date:	13th September 2026
Ref No:	WFP-YiW-AD-B3-2025

1. Introduction & Background

All for Peace and Dignity (APADE) is an international, not-for-profit, non-governmental organization, registered under Canadian law in 2014 and with the Nigerian government in 2021. Our mission is to work with vulnerable people in poverty and distress to improve their well-being and together create a positive change.

APADE, in partnership with World Food Program (WFP) and the Mastercard Foundation (MCF), is implementing project on strengthening Food System to promote increased value chains and employment opportunities for youth in Adamawa State

APADE wishes to invite qualified, registered, and experienced civil engineering and construction contractors to submit Expressions of Interest (EOI) for the complete civil, structural, and external development works required for the Youth in Pump (YiP) Irrigation Hub in Song LGA, Adamawa State.

The YiP Hub is designed as a centralized operational, processing, and training infrastructure to boost year-round dry-season farming, improve local agricultural value chains, and generate sustainable agri-business and employment opportunities for local youth in Song LGA, Adamawa State.

2. Scope of Work

The physical works will strictly comply with the approved architectural and structural drawings developed and approved for the project. The project encompasses three primary structural components:

A. Main Farmhouse Structure.

The main farmhouse serves as the administrative and logistical core of the facility, divided into four functional zones:

- **Garage:** Open central workspace for machinery parking and repair.
- **Storage Room:** Secure enclosure dedicated to the safe storage of equipment.

- **Administrative Office:** Dedicated workplace for operational oversight, Hub supervision, and administrative documents keeping.
- **Internal Restroom (1 for women and 1 for men) :** Fully equipped water closet and sanitary facility.
- **Changing room (1 for women and 1 for men).**

B. Security Gate House

- **Duty Guardroom:** Access-control and security monitoring post positioned at the primary entrance boundary.
- **Kitchen:** Private kitchen for security personnel.

C. Perimeter Fencing & Gate

All components must conform to the design specifications set out in the approved architectural drawings in the link below.

3. Selection Criteria & Mandatory Compliance

Interested contractors must submit the following statutory and technical documents to qualify:

- **General Company Profile**
- **Corporate Registration (CAC):** Valid Certificate of Incorporation with the Corporate Affairs Commission (CAC) in Nigeria.
- **Key Personnel:** Details of professional certifications (COREN, CORBON, or equivalent) for the designated Lead Project Manager and Site Engineer
- **EFCC SCUML Registration:** Valid Special Control Unit Against Money Laundering (SCUML) registration certificate issued by the EFCC.
- **Tax Clearance Evidence:** Tax Clearance Certificates (TCC) covering the recent fiscal years demonstrating full statutory tax compliance.
- **Compliance with Government Laws:** Strict compliance with all applicable Nigerian federal, state, and local government laws, regulations, and industry standards.
- **Protection from Sexual Exploitation & Abuse (PSEA):** Formal, organizational PSEA policy and operational commitments enforcing zero tolerance for sexual exploitation, abuse, and harassment.
- **Anti-Fraud & Anti-Corruption Policies:** Documented anti-fraud, anti-bribery, and anti-corruption policies ensuring transparent financial management and ethical governance.
- **Counter-Terrorism & Sanctions Compliance:** Unconditional commitment and verification of non-sponsorship, non-support, and non-association with terrorism or prohibited entities.
