INVITATION TO BID / NATIONAL TENDER ADVERTISEMENT

PROCUREMENT OF SERVICES AND MATERIALS FOR BOREHOLE REHABILITATION IN NGALA LGA, BORNO STATE

Smiling Hearts Initiative International (SHI) invites qualified, experienced and eligible contractors/suppliers to submit competitive quotations for the **rehabilitation of boreholes in Ngala Local Government Area, Borno State**, under SHI's WASH intervention.

The assignment involves the rehabilitation and restoration of selected solar-powered boreholes, including associated water infrastructure, to improve access to safe and reliable water for targeted communities.

SCOPE OF WORKS

The required works and supplies include, but are not limited to:

- Supply and installation of **SQ-Flex solar pumps**.
- Supply and installation of **350W monocrystalline solar panels**.
- Replacement/installation of solar pump cables and lowering ropes.
- Rehabilitation of existing **tap stands**.
- Rehabilitation and maintenance of **elevated/overhead storage tanks**, including painting where applicable.
- Supply and installation of PVC pipes, elbows, tees, sockets, unions, adaptors and related fittings.
- Installation/replacement of circuit breakers and other electrical components.
- Supply of tap heads and associated plumbing accessories.
- Provision of PVC gum, thread tape and other installation materials.
- Provision of complete short pipes and related accessories.
- Installation of **visibility signposts** at the rehabilitated boreholes.
- Testing and commissioning of the rehabilitated boreholes and associated water systems.

The detailed Bill of Quantities/technical specification includes requirements for **three boreholes**, covering solar pumping systems, solar panels, plumbing components, tap stands, elevated storage tanks and visibility materials.

ELIGIBILITY REQUIREMENTS

Interested contractors/suppliers should meet the following minimum requirements:

1. Valid **CAC registration/incorporation documents**.
2. Valid **Tax Clearance Certificate**, where applicable.
3. Evidence of relevant experience in **borehole rehabilitation, solar water systems and/or WASH infrastructure**.
4. Evidence of previous similar contracts or completed assignments.
5. Company profile and details of qualified technical personnel.
6. Valid bank account details in the company's registered name.
7. References from previous clients for similar works.
8. Declaration of any actual or potential **Conflict of Interest**.
9. Compliance with SHI's **PSEA, Safeguarding, Anti-Fraud and Anti-Corruption** requirements.
10. Ability to mobilize and undertake the assignment in **Ngala LGA, Borno State**.

QUOTATION REQUIREMENTS

Interested bidders are requested to submit a detailed quotation clearly indicating:

- Description of each item/work;
- Unit of measurement;
- Quantity;
- Unit price;
- Total price;
- Applicable taxes and statutory charges;
- Delivery/completion period;
- Quotation validity period;
- Payment terms;
- Warranty/defects liability period, where applicable; and
- Any other relevant commercial conditions.

The quotation should be submitted on the bidder's official letterhead and must clearly reference:

BOREHOLE REHABILITATION – NGALA LGA, BORNO STATE."
